

MISSION STATEMENT

CORRECTIONAL OFFICERS ADVISORY COMMITTEE

The Correctional Officers Advisory Committee is established to advise the Council 40 Executive Board on matters concerning the requirements and responsibilities of county corrections workers and to accomplish the following:

- To foster better communication among affiliated Local Unions representing correctional officers.
- To encourage rank and file correctional officers to become active participants in the political and legislative process, particularly in matters concerning their unique occupational needs.
- To promote a safer working environment for all correctional officers.
- To establish effective coalitions with other organizations or groups which share similar concerns.

Adopted by the Executive Board on April 17, 2008
